

Pork Order Form & Instructions

Fill out the Pork Order Form and email it to:
Brian@FarFarAwayFarms.com

Mail a check (payable to “Far Far Away Farms”) with the applicable deposit to the farm located at:
131 CR 526, Allentown, NJ 08501

Deposits required

Whole Pig	\$250
Half Pig	\$150
Quarter Pig	\$100

What happens after you order?

Once we receive your order you will get a confirmation email and an estimated date for pick up. All pigs are processed at a local butcher. We will email (or call if you prefer) about four days before your order is to arrive at the farm. Due to limited freezer space pick up is required within 10 days of arrival (and sooner is at all possible). We will coordinate with you to arrange a pick up time that is convenient for you, we are very flexible.

Make sure you have enough freezer space. A whole pig is about 4.5 cubic feet (a milk crate is about 1cf). A ½ pig is about 2cf and a ¼ pig is about 1cf.

Order Form tips

You will see (for example) that for the Boston Butts and Picnic Shoulders you can choose to (1) receive roasts OR (2) you can omit the roasts and instead have them made into sausage and/or ground pork. Further below you choose the types of sausage and ground pork that you want. Sausage will be made from any butts and shoulders you chose to be made into sausage along with any trimmings.

So for example if you do not want picnic shoulder do not circle anything in the left column and instead just circle “sausage”.

If you have any questions please email or call and we’ll be very happy to help you out.
